Quick Start Overview

Follow these steps to enroll in South Carolina Medicaid via the online enrollment process.

1. Access the online enrollment application at provider.scdhhs.gov

2. Enter some preliminary basic information.

The image shows a form titled "Please choose the option that best describes your intent: *". There are two radio button options: "New Enrollment" (which is selected) and "Add a Location". Below these options is a dropdown menu labeled "Enrollment Type*" with "Individual" selected.

3. Obtain a Reference ID #.

4. Complete more information about your business.

5. Review and submit your application.

Start an Application

Go to provider.scdhhs.gov and select Online Enrollment Application.

Click *Begin a New Enrollment* to get started.

Provider Enrollment

Individuals, Organizations, Atypical Individuals, Atypical Organizations, Ordering/Referring providers as well as currently enrolled providers adding a new location can enroll into the system. A unique Reference ID is assigned to each application. Emails containing the Reference ID will be sent to both the authorized individual completing the application and the provider. The Reference ID is required to retrieve a saved application and to correct or update enrollment information after the application is approved. If the application is not completed and submitted at the time the Reference ID is issued, the provider has thirty (30) calendar days from the issuance date of the Reference ID in which to log back into the online application and complete the submission or the record will be deleted from the system.

Who Can Enroll

Individual Provider

-- An individual provider is a person enrolled directly who provides health services to health care members. An individual may bill independently for services or may have an affiliation with an organization. Individuals enrolling in SCDHHS Medicaid program are required to submit their Social Security Number (SSN) and National Provider Identifier (NPI).

Individual/Sole Proprietor

-- An Individual/Sole proprietor is a person enrolled directly who provides health services to health care members. An individual may bill independently for services or may have an affiliation with an organization. An Individual/Sole proprietor enrolling in SCDHHS Medicaid program is required to submit their Social Security Number (SSN) and National Provider Identifier (NPI).

For SCDHHS individual Medicaid enrollment, type of ownership defaults to Individual/Sole Proprietor when an EIN is submitted on the application. As a sole proprietor, you would need to obtain an identification number if either of the following apply; (1) pay wages to one or more employees, or (2) you file pension or excise tax returns. If these conditions do not apply, your SSN is your taxpayer identification number.

Ordering/Referring Providers

-- All providers of health care services may be ordering/referring providers but not all ordering/referring providers are billing providers. In an effort to capture all providers who order services and/or refer Medicaid beneficiaries for services and who do not submit claims to SCDHHS for payment, ordering/referring providers are required to enroll. All ordering/referring providers are required to have an NPI and that NPI must be submitted on the claims as the ordering/referring provider. All claims will be subject to denial if the ordering/referring NPI is not on the claim and/or the ordering/referring provider is not enrolled in SCDHHS Medicaid program. Examples of ordering/referring providers are Physicians, a Licensed Nurse Practitioners, and Certified Midwives.

Organization

-- Any entity, agency, facility or institution that provides health services to health care members. An organization may bill independently for services performed or may be an affiliation of individual providers. Organizations enrolling in SCDHHS Medicaid program are required to submit their Employer Identification Number (EIN) and NPI.

Atypical Providers

-- CMS defines atypical providers as "providers that do not provide health care, as defined under HIPAA in Federal regulations at 45 CFR section 160.103." Providers who perform home and vehicle modifications, respite services, and attendants working in Community Long Term Care (CLTC) facilities are examples of atypical providers reimbursed by the Medicaid program. Even if these atypical providers submit HIPAA transactions, they still do not meet the HIPAA definition of health care and therefore cannot receive an NPI.

Atypical Individual

-- An Atypical Individual provider is a person enrolled directly who provides non-health related services to health care members. An atypical individual may bill independently for services or may have an affiliation with an organization. Individuals enrolling in SCDHHS Medicaid program are required to submit their Social Security Number (SSN). The provider may or may not be eligible for an NPI and NPI is not required.

Atypical Organization

-- An Atypical Organization provider is a facility, agency, entity, institution, clinic or group of providers enrolled directly who provide non-health related services to health care members. An atypical organization may bill independently for services or may have an affiliation with an individual. Organizations enrolling in SCDHHS Medicaid program are required to submit their Employer Identification Number (EIN). The provider may or may not be eligible for an NPI and NPI is not required.

Add a Location

-- Organizations (facilities, agencies, groups, etc.) enrolled with a unique combination of an Employer Identification Number (EIN) and National Provider Identifier (NPI) are eligible to add a new location to their existing enrollment. The location being added must operate under the same EIN/NPI as the previously enrolled location. When the EIN/NPI combination is not the same as a previously enrolled location, providers are required to pay an application fee.

Change Request

-- Providers successfully enrolling as a SC Medicaid provider through the web application are able to submit change requests. Change requests are processed after the application is approved. Providers will not be able to make changes to submitted enrollment applications until after the application is approved. Changes to enrollment information such as has been received by the provider.

Revalidation Request

-- Participating providers (Individuals and Organizations) enrolled on or before December 02, 2014, must have their enrollment information revalidated. The enrolled information will be verified and screened to ensure compliance according to the patient protection and Affordable Care Act of the provider enrollment and screening regulations published by the Centers for Medicare and Medicaid services.

Part I: Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the Name line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see **How to get a TIN on page 3**

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

SSN

Part II: Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

I (we) hereby authorize the Department of Health and Human Services to initiate credit entries and to initiate, if necessary, debit entries for any credit entries in error to my account indicated above and the financial institution named above, to credit and/or debit the same to such account. These credit entries will pertain only to the Department of Health and Human Services payment obligations resulting from Medicaid services rendered by the provider.

I (we) understand that credit entries to the account of the above named payee are done with the understanding that payment will be from federal and/or state funds and that any false claims, statements or documents or concealments of a material fact, may be prosecuted under applicable federal or state laws

I (we) certify that the information shown is correct. I (we) agree to provide thirty (30) days written notice to the SC Department of Health and Human Services Medicaid Provider P.O. Box 8809, Columbia, SC 29202-8809 prior to revoking or revising this authorization.

EFT Authorization Agreement

All EFT requests are subject to a fifteen (15) day pre-certification period in which all accounts are verified by the qualifying financial institution before any Medicaid direct deposits are made.

I have read, understand, and agree with the conditions set forth in the SCDHHS Electronic Funds Transfer (EFT) Authorization Agreement and all related transactions.

Special Instructions: For questions regarding the status of your EFT enrollment, please contact the Provider Service Center at 1-888-289-0709. Please refer to the Electronic Funds Transfer (EFT) section of the Provider Enrollment manual found on the SCDHHS Provider web page for instructions on how to complete updates to your EFT information.

Effective January 1, 2014, providers have the capability to link their EFT payment transaction with their electronic remittance advice (ERA) via a matching EFT Reassociation Trace Number. This trace number will automatically be included in your SCDHHS electronic remittance advice. In order for this matching reassociation trace number to appear in your EFT notification, you must contact your financial institution and request the addition of this information. Any questions regarding this matching reassociation trace number and your ERA can be directed to your Provider Service Center at 1-888-289-0709.
